

- 1- समस्त जोनल एडीशनल कमिश्नर, वाणिज्य कर
उत्तर प्रदेश।
- 2- समस्त ज्वाइन्ट कमिश्नर(कार्यपालक)वाणिज्य कर
उत्तर प्रदेश।

वर्तमान में प्रदेश की 93 लोकेशन्स पर Vyas Software का संचालन विकेन्द्रीकृत (Decentralized) रूप से किया जा रहा है जिसमें लोकेशन्स का समस्त कार्य लोकल सर्वर पर किया जाता है तथा बाद में लोकल सर्वर पर एकत्र डाटा सेन्ट्रल सर्वर पर अपडेट कर दिया जाता है। कम्प्यूटराइजेशन के अगले चरण में Vyas Software को Decentralized Mode से Centralized Mode में परिवर्तित किया जा रहा है जिसमें प्रदेश की समस्त लोकेशन्स को BSNL की लीज लाइन के माध्यम से NIC योजना भवन स्थित डाटा सेन्टर से जोड़ा जा रहा है। यह लिंक स्थापित हो जाने पर प्रत्येक लोकेशन से उक्त डाटा सेन्टर में install किये गये Centralized Applications को सीधे access किया जा सकेगा तथा प्रदेश के समस्त कार्यालयों में विभागीय साफ्टवेयर पर किये गये कार्यों का डाटा सीधे केन्द्रीयकृत रूप से NIC के उक्त डाटा सेन्टर में पहुँच जायेगा। प्रदेश के समस्त कार्यालयों का डाटा सीधे इस डाटा सेन्टर में पहुँच जाने से केन्द्रीय सर्वर पर डाटा नियमित रूप से अपडेट करने की समस्या समाप्त हो जायेगी तथा डाटा अपडेट न होने के कारण विभिन्न प्रकार के रिपोर्टों अथवा डीलर्स डाटाबेस में परिलक्षित होने वाली त्रुटियाँ समाप्त हो जायेगी।

2- प्रदेश के अधिकांश कार्यालयों को वर्तमान में लीज लाइनों से जोड़ा जा चुका है तथा अब अगले चरण में विभागीय कम्प्यूटरों को सेन्ट्रल सर्वर में स्थापित Centralized Applications से जोड़ा जाना है। यह कार्य सभी कार्यालयों में एक साथ न होकर चरणबद्ध तरीके से किया जायेगा जिसकी तिथिवार योजना इस पत्र के साथ संलग्न कर प्रेषित की जा रही है। इन तिथियों से सम्बन्धित लोकेशन्स पर रिसीट तथा रजिस्ट्रेशन का कोई कार्य नहीं होगा तथा जिन कार्य दिवसों में लोकेशन पर रिसीट का कार्य बन्द रहेगा उन कार्य दिवसों में व्यापारियों द्वारा प्रस्तुत प्रार्थना पत्रों की मैनुअल रसीद जारी की जायेगी जिसे बाद में Centralized Vyas module में फीड किया जायेगा। मैनुअल रसीद जारी करने के लिए चूँकि अल्प समय में आर-29 रजिस्टर छपवाना सम्भव नहीं है, अतः रसीदें जारी करने हेतु एक 4 अथवा 8 क्वाथर के रजिस्टर का इस्तेमाल किया जायेगा जिसके प्रत्येक पृष्ठ को 8 हिस्सों में बाँटकर 8 रसीदें जारी की जायेगी। यह रसीदें कार्बन लगाकर दो प्रतियों में बनायी जायेगी जिससे रसीद की कार्बन प्रति रजिस्टर में सुरक्षित रहे। इस रजिस्टर की प्रत्येक रसीद को नम्बरों वाली एक मुहर से क्रमांकित किया जायेगा तथा रजिस्टर के प्रथम पृष्ठ पर यह प्रमाण पत्र भी अंकित किया जायेगा कि रजिस्टर में अमुक क्रमांक से लेकर अमुक क्रमांक तक की कुल इतनी रसीदें हैं। अभिप्रमाणन का यह कार्य मण्डल के डिप्टी कमिश्नर (प्रशासन) द्वारा तथा जहाँ डिप्टी कमिश्नर (प्रशासन) तैनात नहीं है, वहाँ मण्डल के खण्ड-1 के डिप्टी कमिश्नर द्वारा किया जायेगा। यदि किसी स्थान पर एक से अधिक काउण्टरों पर रसीदें जारी की जानी है तो आवश्यकतानुसार उक्त प्रकार के एक से अधिक रजिस्टर प्रयोग में लाये जा सकते हैं परन्तु इन पर अंकित रसीदों के क्रमांक क्रमवार होंगे। इन रजिस्ट्रों पर प्रतिदिन काटी गयी अन्तिम रसीद को सम्बन्धित डिप्टी कमिश्नर द्वारा उसी दिन हस्ताक्षरित किया जायेगा।

3- केन्द्रीय सर्वर से लिंक स्थापित हो जाने के बाद Centralized Vyas module में फीड की गयी मैनुअल रसीदों का संदर्भ कम्प्यूटरजनित रसीद की रिमार्क फील्ड में MR Number / Date अंकित करके किया जायेगा। साथ ही कम्प्यूटरजनित रसीदों के क्रमांक व तिथि का उल्लेख मैनुअली जारी की गयी रसीद की कार्बन प्रति पर भी किया जायेगा। उक्त प्रकार से रसीदें जारी कर लेने के पश्चात यह रजिस्टर मण्डल के पंजीयन प्रकोष्ठ के प्रभारी की अभिरक्षा में रखवा दिया जायेगा। केन्द्रीय सर्वर से कनेक्टिविटी स्थापित हो जाने के पश्चात सर्वप्रथम इन्ही मैनुअल रसीदों की फीडिंग Centralized Vyas module में की जायेगी तथा इसके पश्चात ही आगे नियमित रसीदें जारी की जायेगी।

4- Centralized Software में Migration एक निर्धारित प्रक्रिया के माध्यम से किया जायेगा जिसका Stepwise विवरण इस पत्र के साथ संलग्न किया जा रहा है। इस प्रक्रिया में Migration की कार्यवाही प्रारम्भ करने की नियत तिथि के पिछले कार्यदिवस को व्यापारी सुविधा केन्द्र एवं पंजीयन प्रकोष्ठ का कार्य समाप्त हो जाने के पश्चात सर्वर का बैकअप एक External hard disk में लिया जायेगा तथा इस बैकअप को लेकर सम्बन्धित लोकेशन्स का असिस्टेन्ट प्रोग्रामर या इस हेतु प्रशिक्षित विभागीय स्टाफ अगले दिन प्रातः मुख्यालय के I.T. अनुभाग में उपस्थित होगा। बैकअप को NIC द्वारा अगले दो दिनों में Normalize करके Central Server पर अपलोड करने की कार्यवाही की जायेगी तथा इसके पश्चात लोकेशन के कम्प्यूटरों को Centralized Software से लिंक करने की कार्यवाही की जायेगी।

Central Server से लिंक करने के अगले Step में BSNL द्वारा लोकेशन से डाटा सेन्टर की लीज लाइन की कनेक्टिविटी चेक की जायेगी तथा कार्यालय में स्थापित सभी कम्प्यूटरों का Central Server से जुड़ जाना सुनिश्चित किया जायेगा। इसके लिये BSNL कोई प्रतिनिधि लोकेशन पर उपस्थित रहेगा परन्तु यदि BSNL का कोई प्रतिनिधि उपस्थित नहीं होता है तो तत्काल 30प्र0 (पश्चिमी) के मामलों में श्री दीपक (फोन नं0 9410837475) तथा 30प्र0(पूर्वी) के मामलों में श्री चन्दन सिंह (फोन नं0 8004471817) से तत्काल सम्पर्क करके BSNL के प्रतिनिधि की उपस्थिति सुनिश्चित की जायेगी। इन दोनों ही सर्किलों के लिए श्री प्रमोद त्रिपाठी (फोन नं0- 0522-2610137 व मोबाइल नम्बर 9451134101) से भी सम्पर्क किया जा सकता है।

5- Migration के तीसरे step में केन्द्रीयकृत साफ्टवेयर के संचालन हेतु प्रत्येक लोकेशन पर एक लोकल एडमिनिस्ट्रेटर का नामांकन भी अपेक्षित है जिसे नामित करने की कार्यवाही जोनल एडीशनल कमिश्नर द्वारा की जायेगी। जोनल एडीशनल कमिश्नर द्वारा इस हेतु नामित किये जाने वाले अधिकारी से सम्बन्धित सूचना Migration के Stepwise विवरण के साथ संलग्न अनुलग्नक-3 में भरकर ज्वाइन्ट कमिश्नर(आई0टी0) मुख्यालय को e-mail ID ctithqlu-up@nic.in पर प्रेषित की जायेगी तथा मुख्यालय से लोकल एडमिनिस्ट्रेटर हेतु Login ID तथा Password जनरेट करके अधिकारी की e-mail ID पर प्रेषित कर दिया जायेगा। यह कार्य Migration की कार्यवाही प्रारम्भ होने से पूर्व ही पूरा कर लिया जायगा।

Centralized Software से लिंक स्थापित हो जाने के पश्चात लोकल एडमिनिस्ट्रेटर द्वारा उक्त Login ID तथा Password से Login करके User Create किये जायेंगे। User Create करने के लिये लोकल एडमिनिस्ट्रेटर पूर्वोक्त Annexure-3 में ही प्रारूप बनाकर उसे पहले ही समस्त अधिकारियों तथा कर्मचारियों को उपलब्ध करा देंगे जो इसमें आवश्यक सूचनाएँ भरकर तथा हस्ताक्षर करके Local administrator को वापस कर देंगे। इस प्रारूप में उनके द्वारा अपना वही Role (यथा Receipt User, Registration User आदि) अंकित किया जायेगा जो सम्भाग के ज्वाइन्ट कमिश्नर (कार्यपालक) द्वारा निर्धारित किया गया है। ज्वाइन्ट कमिश्नर(कार्यपालक) इसके लिए पहले ही प्रत्येक खण्ड / कार्यालय के नियन्त्रक अधिकारी की संस्तुति के आधार पर प्रत्येक अधिकारी / कर्मचारी का Role निर्धारित कर देंगे। अधिकारियों / कर्मचारियों के Roles की सूची Migration के Stepwise विवरण के साथ संलग्न है।

Local Administrator, User से प्राप्त विवरणों का ज्वाइन्ट कमिश्नर(कार्यपालक)द्वारा निर्धारित Role से मिलान करते हुये User Registration Screen में विवरण भरकर User Create किये जायेंगे। यह पासवर्ड कर्मचारी / अधिकारी के मोबाइल फोन अथवा ई-मेल पते पर भेजा जायेगा तथा प्रारूप में इनमे से एक विवरण देना अनिवार्य होगा। User द्वारा यह पासवर्ड यथाशीघ्र बदल दिया जायेगा तथा आगे भी 15 दिन के अन्तराल पर यह नियमित रूप से बदला जाता रहेगा।

6- उक्त कार्यवाहियाँ पूरी हो जाने के पश्चात लोकेशन से सीधे Central Server पर कार्य करना सम्भव हो जायेगा तथा यह सुनिश्चित किया जायेगा कि यह समस्त कार्यवाही प्रत्येक दशा में लोकेशन के लिए निर्धारित तिथियों में पूरी हो जाय। यह समस्त कार्य सम्भाग के ज्वाइन्ट कमिश्नर (कार्यपालक) तथा जोनल मुख्यालयों पर सम्भाग-बी के ज्वाइन्ट कमिश्नर (कार्यपालक), जो सुविधा केन्द्र के प्रभारी नामित है, की सीधी देख रेख में सम्पन्न किया जायेगा। जोनल मुख्यालय पर तैनात अन्य ज्वाइन्ट कमिश्नर (कार्यपालक) व ज्वाइन्ट कमिश्नर (वि0अनु0शा0) इस कार्य में इनको आवश्यक सहयोग प्रदान करेंगे।
संलग्नक:- यथोपरि।

भवदीय,
21/3
(चक्रवर्ती)
कमिश्नर वाणिज्य कर
उत्तर प्रदेश, लखनऊ।

PLAN FOR MIGRATION TO CENTRAL SERVER

* As Currently working central database is needed in stand by mode for data porting

so working hours must be strictly Managed From 11:00 AM to 5:00 PM only.

* Database Backup of any location should be made available by 10:00 AM on the decided date.

* 4 Dec, 6 Dec and 11 Dec'2011 holidays will be used for data porting so no work on site.

* As problems from newly migrated sites will need continuous attention

so no new requirements can be taken up for development.

EXISTING ROLE AND MENU PERMISSION

Steps for migration to Central Software:

Step 1: (Annexure 1)

1. To stop Receipt and registration activities from the decided date.
2. Taking backup of the database.(By the Departmental/Assistant Programmer of NIC)
3. Bringing database to NIC. (By the Departmental/Assistant Programmer of NIC)
4. Normalization of the DataBase.
5. Database uploading on the central server.

Step 2: (By the BSNL) (Annexure 2)

6. BSNL to complete connectivity with the Data Centre at NIC.
7. BSNL to Check the connectivity by pinging 10.220.5.244.
8. BSNL to Open the site <http://upvat/vyascentral>.
9. BSNL to Connect all the system of the office through LAN IP.

Step 3: (By the HeadQuarter)

1. Nomination of local Administrator for each location by the Additional Commissioner of the zone in Annexure-3.
2. Additional Commissioner to mail the signed and scanned copy of Annexure-3 at ctithqlu-up@nic.in.
3. Creation of local Administrator for every location by central Admin at HQ.
4. Password will be sent to the mail id of the Local Administrator.

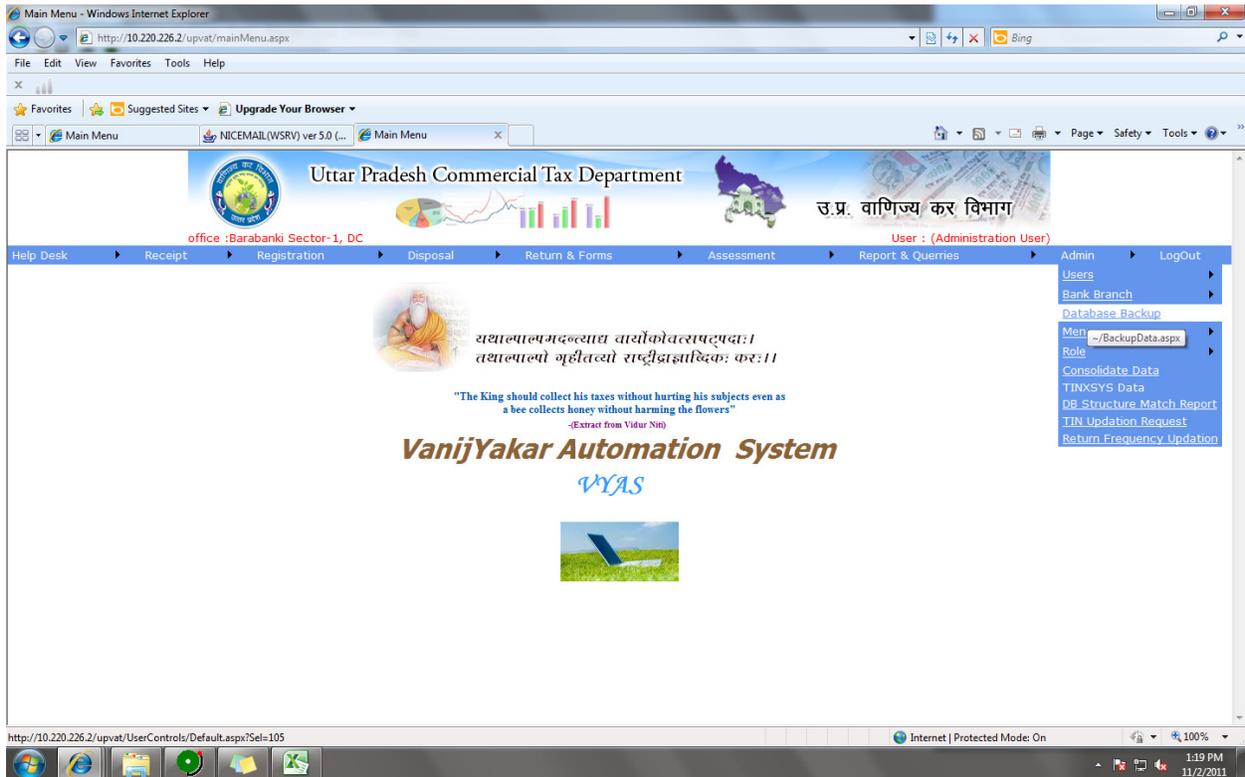

Step 4: (Annexure 4)

1. Login by the Local Administrator with the password received.
2. Local Administrator to create users for the local office.
3. Local Administrator to obtain details from every user in the user registration form available in the central software.
4. Local administrator to create the users and assign them roles by submitting the details in the user registration screen in the central software.
5. Users to mandatorily change their password in 15 days.

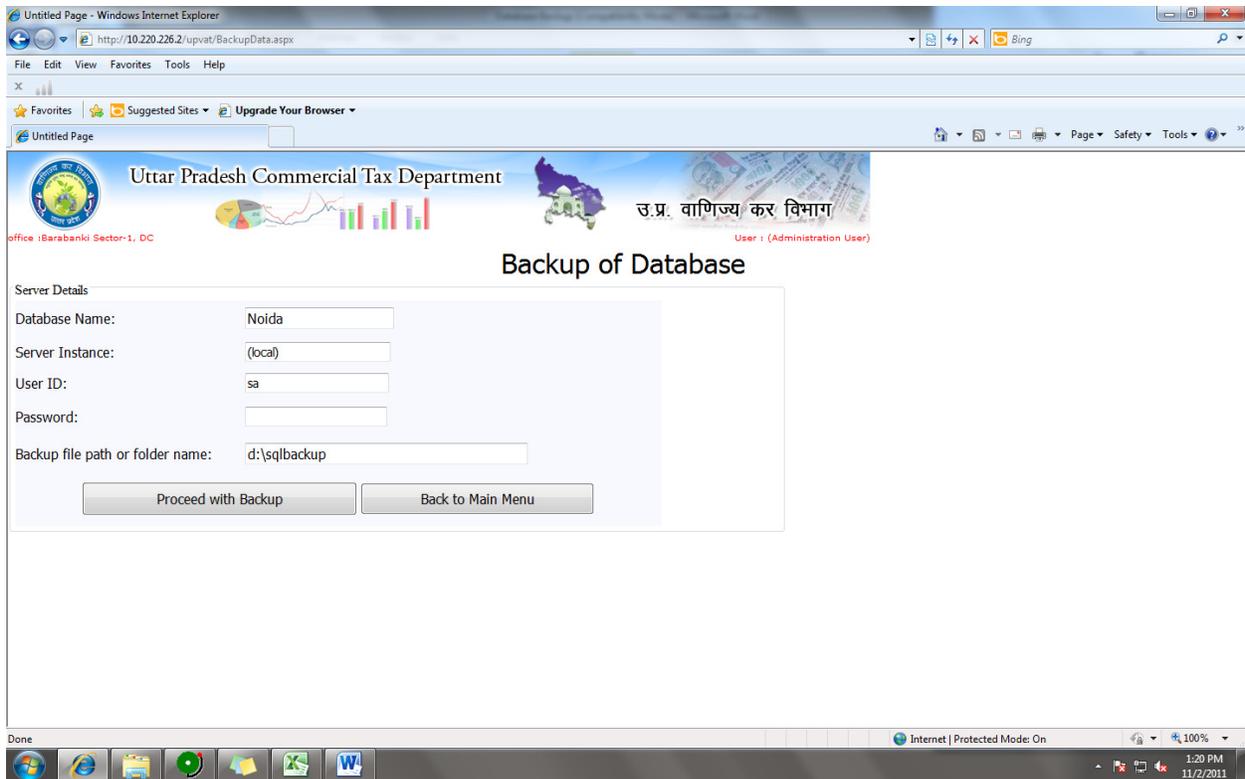

ANNEXURE--1

For Old Vyas :::::

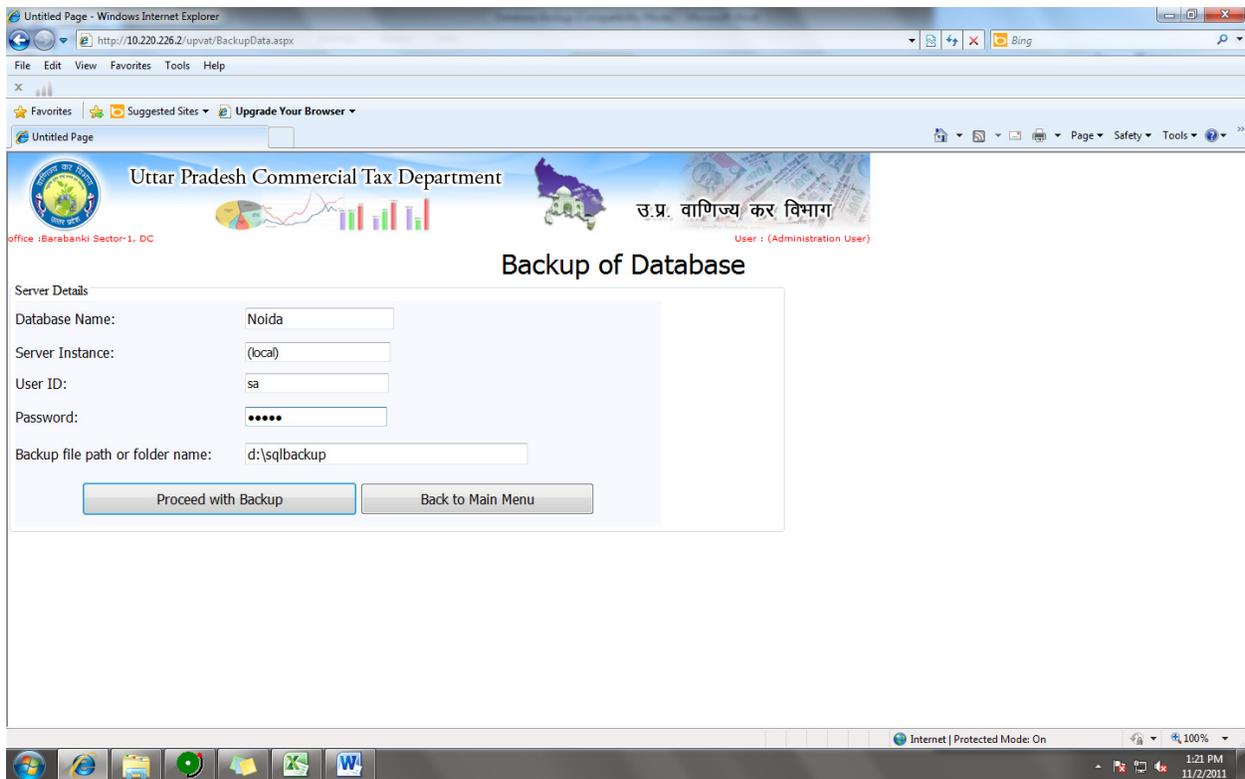

Database Backup

The screenshot shows a web browser window displaying the Uttar Pradesh Commercial Tax Department's main menu. The browser's address bar shows the URL <http://10.220.226.2/upvat/mainMenu.aspx>. The page header includes the department's logo, name in English ("Uttar Pradesh Commercial Tax Department"), and Hindi ("उ.प्र. वाणिज्य कर विभाग"). Below the header, there is a navigation menu with options like "Help Desk", "Receipt", "Registration", "Disposal", "Return & Forms", "Assessment", "Report & Queries", "Admin", and "LogOut". The "Admin" menu is expanded, showing sub-options: "Users", "Bank Branch", "Database Backup", "Menu", "Role", "Consolidate Data", "TINXSYS Data", "DB Structure Match Report", "TIN Updation Request", and "Return Frequency Updation". The "Database Backup" option is highlighted. The main content area features a quote in Hindi and English: "सधात्पाल्पमदन्वलाघ चायोकवेत्सपत्पदाः। तथात्पाल्पो गृहीतव्यो राष्ट्रीजज्ञाधिकः करः॥" and "The King should collect his taxes without hurting his subjects even as a bee collects honey without harming the flowers". Below the quote is the text "VanijYakar Automation System" and the "VYAS" logo. The browser's status bar at the bottom shows the URL <http://10.220.226.2/upvat/UserControls/Default.aspx?Sel=105>, the time 1:19 PM, and the date 11/2/2011.

Type the password sa123:

Database saved to sqlbackup folder in D drive.

ANNEXURE 2

For Connectivity Checking

Line
1

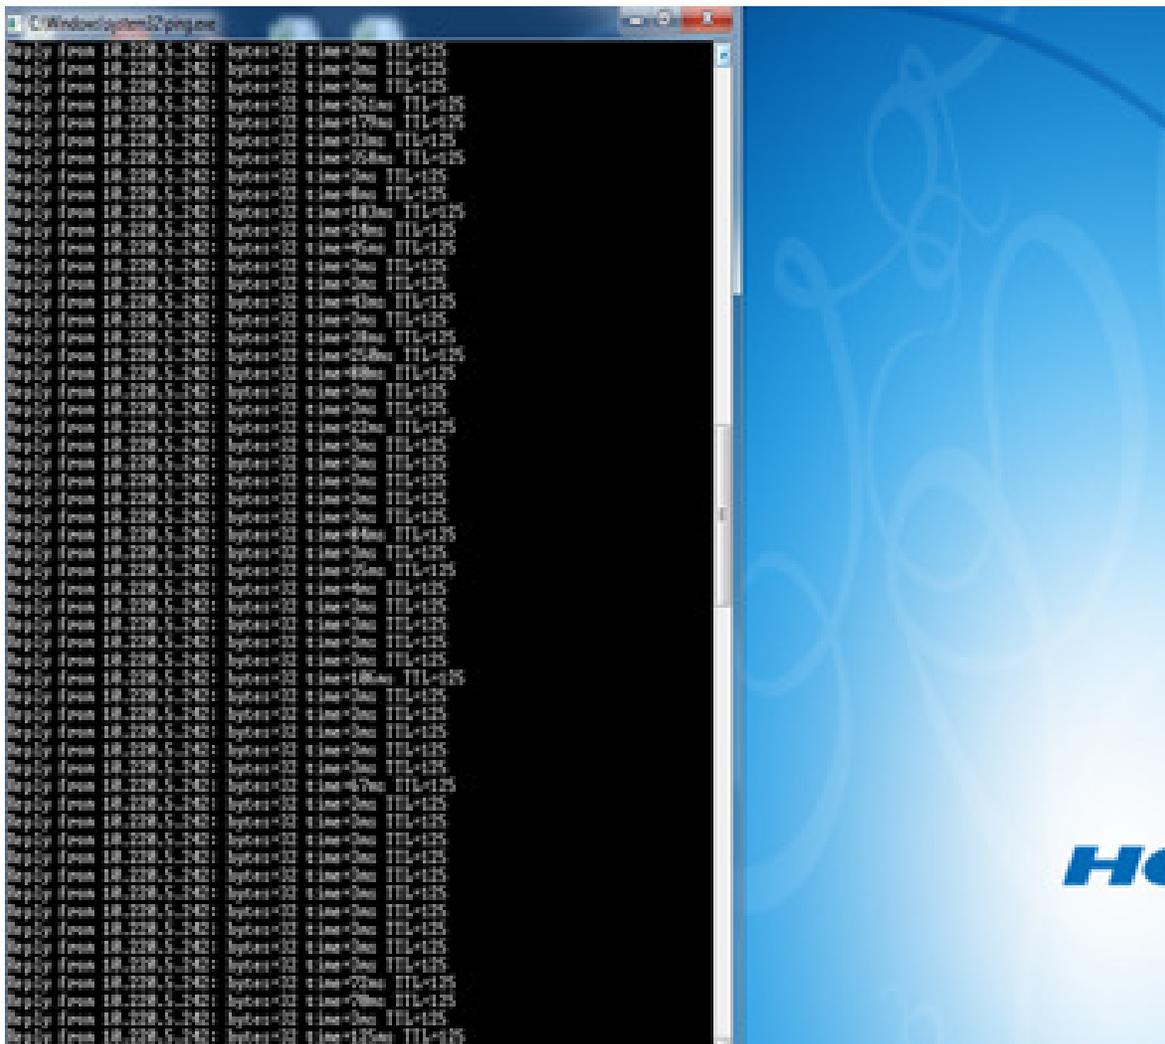

Power

We are using mostly Telldabs 8110 modem for BSNL Leaseline. In normal condition, the Line 1 and Power LED will glow. If any other LED is glowing it indicates a problem in the Modem.

If modem is OK, the first step is to remove the Tulip LAN cable from switch and connect a LAN cable from CISCO 1905 Router GEO/O port to Switch port.

Then click on your Desktop START button----Click on RUN----- write PING 10.220.5.244 -t ---- Click OK. The window that will open will be like this-

If the window as above opens it means connectivity is OK with Central Server

In case of any problem-

BSNL West UP office --- call Mr. Deepak ----- 09410837475

BSNL East UP office ---- call Mr. Chandan Singh ----- 08004471817

OR

Call Mr. Pramod Tripathi ----- 05222610137, 09451134101

The main content area features a quote in Hindi and English: "The King should collect his taxes without hurting his subjects even as a bee collects honey without harming the flowers". Below the quote is the logo for "VanijYakar Automation System" and the VYAS logo.

Prepare the user registration form:

The screenshot shows the "Create New User" form in the User Management system. The browser address bar displays the URL: http://10.220.5.244/vyascenraltest/UserManagement/usermanagement_new.aspx. The page header includes the department's logo and name. The form is titled "Create New User" and includes the following fields: Select Location (dropdown), Office name (dropdown), Name Of User (text), Employee ID of User (text), Login name (text), Password (text), Re enter Password (text), Mobile No (text), Date Of Birth (text with a calendar icon and format "(dd/mm/yyyy)"), Address Of User (text), E-Mail ID (text), and Permission (dropdown). There are "REFRESH" and "SAVE" buttons at the bottom of the form. A "Password Policy" section is located below the form, listing seven requirements:

1. Password must contain at least one Upper Case Letter.
2. Password must contain at least one Lower Case Letter.
3. Password must contain at least one Number.
4. Password must contain at least one Special Character (except ,;:&*).
5. Password must not be among the last Five passwords.
6. 'Admin' is a restricted keyword.Hence it should not be used in the password.
7. Password must be between 8-15 characters.

 The page also includes "Back to Main Menu" and "LogOut" buttons. The browser status bar shows "Internet | Protected Mode: On" and the time "11:53 AM 11/2/2011".

Login should have a permission like receipt user, registration CTO etc. (i.e. Role Name) and password policy is written on the form below:
