Recently, it has come to the notice of our Association that there is long pendency in granting GST registration . Normally the GST registration was granted in 10 days , but in last few months the same are pending for very longer period.

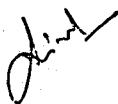

During the period after lockdown most of businesses are in deep economic crisis and they are looking for new opportunity by establishing new business , adding new products . But in absence of GST registration , they are unable to receive work/purchase/supply orders from Government as well as Private Sectors.

Early disposal of GST registration application not only help them to commence business operation , but also help Government by deposit of GST by new entrepreneur.

Therefore your good self is requested to kindly ask the officers concerned to fasten the process of granting of GST registration .

With Regards,

FOR LUCKNOW CA TAX PRACTITIONERS ASSOCIATION

SECRETARY
(CA Vivek Mehrotra)
